Roden/Equinox Lunch Program

All Roden/Equinox lunches are freshly made on-site and are nut-free, fish-free and seafood-free. All meat served is halal certified. Starting this June those who ordered the lunch program in grades 1-8 will be served in the gym and JK/SK in their classroom. Students may pick and choose exactly what they want to eat and will be served by the lunch staff. Reusable plates and real cutlery will be provided and sanitized in-between meal services. Students may grab as many extra helpings as they like. Meals may be enjoyed in the gym or with their class in their classroom/outside.

Each “All You Can Eat” Meal is...

\$4.50 - Student Rate

\$5.00 - Staff Rate

No Student Left Behind

We believe every child deserves to eat. Lunch is FREE for students who need it. Please contact the front office or Principal to request this service. This option is confidential. Your child will pick-up lunch exactly like all the other students. Registration is required to ensure the program makes enough food for all the Roden/Equinox students participating in the lunch program.
